JOY Ministry ~Tommy Smith~ Senior Adult Minister

"To appoint unto them that mourn in Zion, to give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they might be called trees of righteousness, the planting of the LORD, that he might be glorified."
Isaiah 61:3 KJV

The oak tree is one of the most loved trees in the world and with good reason. It's a symbol of strength, morale, resistance and knowledge. The oak is often associated with honor, nobility, and wisdom. The oak can withstand incredibly strong storms, like tornadoes and hurricanes. In fact, oak trees need wind to blow against them because it causes their root systems to grow deeper, which supports the tree as it grows taller. The tree accepts the strong wind as a blessing that helps it grow.

I think of seniors as being like the oak tree. They have lived enough years to face many trials, hardship, adversity and contrary winds that have only served to make their faith grow stronger. These adverse circumstances cause us to lean on the everlasting arms of our Savior. We put our hope and trust in Him, knowing He will never let us down. He will help us weather the storms of life. He is our refuge.

Our next JOY meeting will be April 20th at 10:30 a.m. in the FFBC Fellowship Hall. We will have a devotion, Fun Time and Pot Luck Lunch. Bring your favorite side dish and/or a dessert. Meat and drinks will be provided.

Come bring a friend and enjoy food, fun and fellowship
